A thought for today...

Today we celebrate The Father's Day – and consider that the one whom Jesus called Father is the one who cares for us and welcomes us into his open arms of love.

By looking at the story of the lost son who returns to his father in Luke 15:11-32, we wonder again how we managed to exist before we knew about God's love. So let us celebrate how our Father God calls all families to be blessed and secure.

Jesus said: "As the Father has loved me, so have I loved you; abide in my love." John 15:9

We give thanks that Jesus has shown us the way to the Father and made him known to us. Geoff
